

Free COVID-19 Testing Locations

Due to recent changes with federal eligibility criteria, if you don't meet medical necessity guidelines, payment may be due at the time of your appointment.

Always call ahead to verify availability, check insurance coverage, or make an appointment as necessary.

IF YOU HAVE HEALTH INSURANCE:

Insurance companies and health plans are required to cover 8 free over-the-counter at-home tests per covered individual per month. Request your tests at the pharmacy. Most insurance plans also cover medically necessary COVID-19 testing at pharmacies & doctor's offices.

TO ENROLL IN MEDICAID, CHIP, or find affordable health insurance, call Health Collaborative's Pathways to Coverage program for free enrollment assistance at (210) 761-3420.
